Supplementary notes and statistics to

VOLUME XIII

OF THE

District Gazetteers of the United Provinces of Bareilly and Oudh.

ALLAHABAD:

Printed by W. C. Abel, Offg. Supdt., Government Press, United Provinces.

1914.

Alterations and Additions to Part A of the Bareilly District Gazetteer bringing it up to date (1913-14).

CHAPTER II.

IRRIGATION.

Various improvements were made between 1909 and 1912 in the canal system. These include masonry head-works to control the monsoon supply and escapes to control floods in the streams above the masonry dams, but the most important works are the remodelling of the weirs on the Choreli and Dhora rivers, a cut from the Kichcha canal to supplement the Dhora supply, and a remodelling of the Upper Kichcha canal.

BANKS.

A district co-operative bank was started in 1912 to finance registered co-operative credit societies.

MANUFACTURES.

A match factory was started in 1912-13 near the Shahamatganj goods station by a company called "Northern India Timber, Ld." The proprietors are chiefly Cawnpore merchants who have obtained timber concessions in the Tarai forests. An ice factory with modern plant has also been started in Civil Lines, near the Company Bagh. There is an older ice factory adjoining the College. Steam flour mills have also been started in the city.

CHAPTER III.

RELATIONS BETWEEN LANDLORD AND TENANT.

In the northern tracts where grain rents are still common some of the landlords of villages whose occupancy tenants obtained commutation to cash rents at settlement are engaged in constant attempts to secure reversion to grain rents.

CHAPTER IV.

POLICE FORCE.

The town police of Aonla was in 1913 abolished and replaced by men of the provincial force.

HEMP DRUGS.

The contract for the whole district was farmed in 1909, but in 1912 the contract was again given by tahsils. The duty on *charas* was raised to Rs. 12 per seer from 1912.

OPIUM.

Sales by the Government treasurer and his agents were stopped in 1910 with the apparent result that retail prices were forced up and consumption diminished. The rise in prices probably imposed a check on smuggling.

TELEGRAPH.

A combined post and telegraph office was opened at Izatnagar in 1912.

MUNICIPALITIES.

From 1910 the Government appointed a non-official chairman in place of the District Magistrate who had till then held the appointment *ex officio*.

In 1910 the municipal board initiated a scheme for the extension of the city area by acquiring practically the whole open area between the Naini Tal road and the (eastern) Pilibhit road to the north of the city as far as Izatnagar station. Funds were provided by a loan from Government. It was intended to lay out the area in building plots, after arranging for metalled roads, drainage &c., but the acquisition of the land was not completed by 1913.

ACT XX TOWNS.

In 1911 the Government assumed direct responsibility for the cost of the town police, placing at the disposal of the town funds the amount formerly raised locally to be spent on the force in the towns and thus providing money for expenditure on sanitary improvements.

EDUCATION.

The Bareilly College ceased to be affiliated in law in 1909, but from 1888 it has been affiliated up to the intermediate standard in science.

The district high school was made a provincial institution in 1910 being removed from the control of the District Board in that year.

The year 1912 saw the commencement of a liberal policy in the matter of special grants towards education, the result in

Bareilly being the immediate restoration of a number of primary schools that had been closed for want of funds, the opening of new schools, the provision of new buildings and great improvements in equipment.
